Federal Government College, Ijanikin, Lagos | FGCL | 2015-2021

Civil Engineering
Federal University of Technology | FUTO | 2023-2026

ABOUT ME

I got into Web development in the year 2022 right after I graduated from high school. I've attended a 3 month Dev bootcamp, but for the most part I'm self taught within the space from when began till date I have completed a good number of projects. Most of my time are spent developing my skills and helping clients with web solutions for their business

EXPERIENCE
